RELATIVES LIFELINE

Have you inadvertently become somebody's full time carer?

Do you feel lacking in knowledge of 'caring' or 'how to care'?

Do you feel lonely or isolated?

Do you know there must be help but unsure how to source this?

If you answer yes to any of the above questions, please be assured "Relatives Lifeline" is there to help.

We are offering a service of talks and demonstrations over a cup of tea. You may attend one or two sessions or the whole eight. Each session will start with a talk or demonstration followed with questions and answers over tea.
